

Are you, or is someone you care for, living with dementia?

Healthwatch Wiltshire is holding regular workshops for people interested in dementia services so that experiences and feedback can be shared with the people who provide those services. One of the main themes of our next workshops will be information provision. We would like to hear about your experiences of getting information, and your views about what sort of information would be most useful to you.

These workshops will be taking place on:

Thursday 14 May 2pm till 4pm, at
Malmesbury Town Hall, Cross Hayes, Malmesbury, Wiltshire SN16 9BZ

Wednesday 20 May 2pm till 4pm, at
The Laverton, Bratton Road, Westbury BA13 3EN

Wednesday 27 May 2pm till 4pm, at
